Personal Biography.

I am an English native and fluent Spanish speaker having lived in Barcelona for twenty years. I pursued a career in the music industry during the late 1990's / early 2000's as a recording artist (Island records/ Rainbow Quartz Records/ Rondor publishing), and began work in film production in 2005; beginning right at the bottom (as a overnight Parking / Space Keeper) I worked my way up and have been working as a 1st. A.D. predominantly in commercials, since 2010. I've worked in various countries; Italy, Portugal, Saudi & U.K. though the bulk of it takes place on mainland Spain and the Balearic & Canary Islands.
